Facebook: *Office for Strategic Spaces (OSS)*

### JOB DESCRIPTION:

Responsibilities include assisting with different aspects of the design process. In addition, the intern will be asked to take on specific projects from start to finish: specific presentation guidelines for competitions, model making, elaboration of publishing materials, research in construction solutions and implementations etc.

### CANDIDATES:

Work autonomy, response capacity, creative  
Good at visual and material presentations  
Moderate user of 2D  
Good skills for 3D and image postproduction software  
Spanish and/or English Speaker

### ACADEMIC CREDIT AND COMPENSATION:

Interns may receive academic credits and certificates for their internships, as arranged through their educational institution. OSS is unable to offer a stipend or other financial compensation. For highly skilled candidates, though, there might be a special agreement regarding economic compensation.

### SCHEDULE:

Minimum of **24 hours** a week, though we can be flexible in scheduling. We ask that interns commit to working for a minimum of 2 months, though three months or a semester is preferable.

### APPLICATION PROCEDURE AND CONTACT:

Please email cover letter/cv and graphic portfolio to [pr@o-s-s.org](mailto:pr@o-s-s.org)

### DEADLINE TO APPLY:

Applications are accepted on an ongoing basis.
