Tragkonstruktionen	Stegreif	1,5
Language Course	Seminar	3

The successful completion of the RWTH courses mentioned above is subject to their availability in the specific semester or academic year as well as to the student's individual German language abilities. The equivalence of these courses within the home university's curriculum has to be proven by the sending institution in terms of level, quality, learning outcome, type of course and workload. Only AFTER their arrival students will be able to personally design their study program via our online system. Incoming students are free to choose from all our courses except those from the first year.
