B.Sc.: M.Sc.:

Addendum to the General Terms of the Learning Agreement

The equivalence (= no essential difference as defined by the Lisbon Recognition Convention) of above mentioned courses has to be proven within the home university's curriculum in terms of quality, level, learning outcome, workload and profile. This must be done AFTER the study period abroad to allow for an acknowledgement of modules within the curriculum of the sending institution, unless the courses are to be quoted as mere additional components in the study-abroad module.

The Sending Institution

Susanne Rupprecht-Reinke
Departmental Coordinator's signature

Sigrid Tillmanns, Geschäftsführerin des Prüfungsausschusses
Examinations Board's signature
